

Living a Godly Life

2 Peter 1: 3-10

Godly Living is Possible

- **You have everything you need**
 - God who loves you
 - God's promises
 - God's nature
- **God expects His children to behave like His children**

Godly Living Takes Intentional Work

- **Develop and exercise the gifts you are given**
- **Develop and exercise good character**
- **Character of a child of the King**

Godly Living Means Avoiding Slip and Fall Injuries

- Do everything He has said and you will NEVER trip and fall
- Be obedient and you will NEVER trip and fall
- When you trip and fall, go back to building on the foundation

Life Application

- Take a set of cards and use them to build your life
- When you think you have the first one (virtue) fold the block and start a stack ready to add the rest. Then work your way through the building blocks of godly living one at a time
- When you have your stack complete, it is a reminder to keep your life stacked for success in living a godly life
