

The Gift of Light

Matthew 2: 1-10

The Light Guides the Seeker

- The seeker is sometimes more diligent in following than the convinced
- Are there are people far from God following more faithfully than we are?

The Light Disturbs the Lost

- Be careful where you seek guidance
- Be careful what guidance you give
- If they light disturbs you, maybe you need to ask why

The Light Shines for the Faithful

- Christians, the Light shines on us
- Where has the Light stopped in your life?
- God gave Jesus, the gift of Light, for His birthday

Life Application

The background of the slide features a vibrant sunrise or sunset. A bright sun is positioned just above the horizon, creating a lens flare effect with numerous rays of light radiating outwards. The colors transition from a deep orange near the horizon to a bright yellow and white at the sun's core, and then to a dark, almost black sky as the rays extend upwards.

As your gift to Jesus, focus on what God is showing you right now and take time tonight to let the Light draw you closer to God
