

Giving Up On Perfect

Luke 1:26-38

The Lord Has Blessed You

- Blessings are desired
- Blessings might interfere with life
- Blessings must be willingly received
- Receive the blessing!

Blessings Bring Peace

- God's goal is not our fear
- God reveals His plan as it benefits us to know
- God gives us more faith for the moment

Embrace the Blessing

- **Follow God's plan**
- **Get support in your obedience**
- **Release your life to God's plan**

Life Application

- Find one place in your life this week where you can give up control
- Turn it over to God and tell Him, “I serve the Lord” so you can embrace the blessing!
