

Prayer Warrior, Prayer Worrier

Exodus 15:1-18

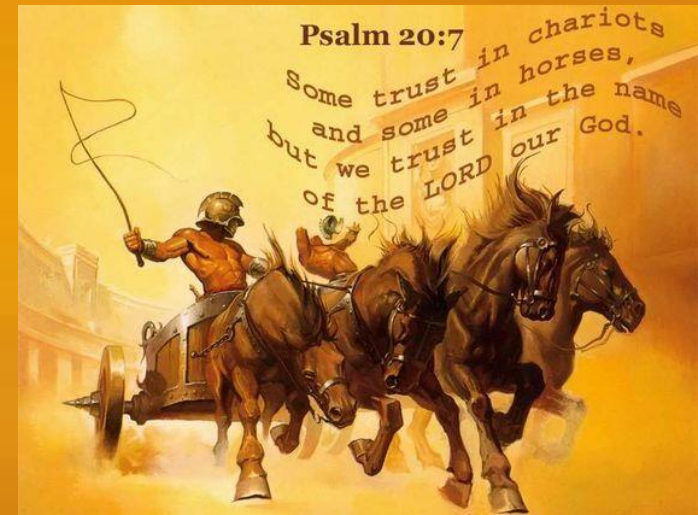

Prayer Worriers

- Everything we worry about when we go to war
- God was faithful and they won!
- People acted in rebellion most of the time
- We truly are prayer worriers

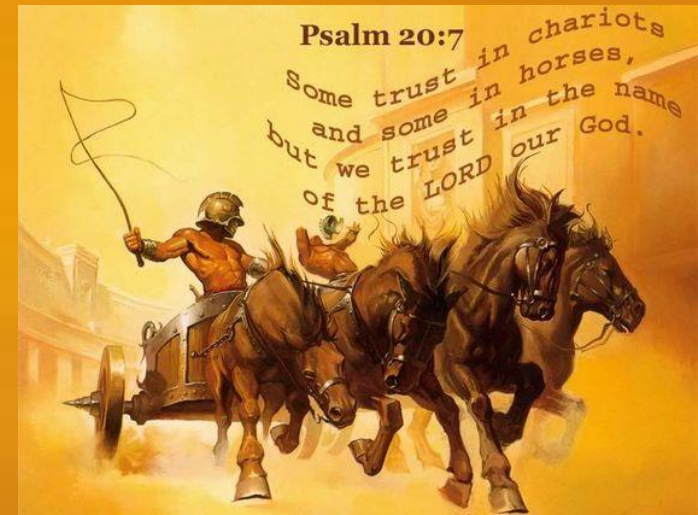

Prayer Warriors

- A few of us get a prayer life beyond this
- These are the ones who remember the miracles beyond the next need
- God wants us to grow into prayer warriors, but true prayer warriors recognize the True Warrior

The True Warrior

- The Lord is the warrior that has won the battle
- Will you choose to be a prayer warrior or a prayer worrier?
- Will you choose the True Warrior today?

Life Application

- Choose the right battle this week
- Take all your worries as a reminder to pray
- Trust all your worries into the hands of God
