

# Something in the Water

Acts 2:36-40

# Recognize Your Sin

- It has a deep effect on you
- If you think you're "pretty good" beware!
- He who is forgiven much, loves much

# Repent And Be Baptized

- Make a change
- Something in the water
- Mark the change

# Release Your Sin

- All our sin
- Let it go!
- Sins disappear when we are saved, not when we do the right things

# Life Application

- **Take the special paper we gave you:**
  - Write the sins down you recognize
  - Write “sin” to acknowledge the sin you don’t recognize
  - Come to the baptistery font and give those sins to God
