

# Judging or Judgment?

**Romans 2:1-9**

**and**

**1 Corinthians 6:1-11; 11:29-32**

# Judging Others Judges Us

- It is good to seek glory, honor and immortality
- Judging others shows we know our own actions are wrong
- Being self-seeking and rejecting the truth get us judged
- This is why forgiveness is a spiritual discipline

# Judging Believers Honors Us

- We should have someone wise enough in the Body to judge matters between believers
- There is a list here we are to judge offensive to God
  - Not a list to judge sinners, but to hold each other accountable
  - We know where the well of living water is to bring that grace to each other when we need healing

# Judging Ourselves Hones Us

- **God's standards have the final say**
- **Ask God to show you deeper truths**
- **Invite others to hold you accountable**
