

Time to be Salt and Light

Genesis 1:3-5

and

Matthew 5:12-16

Salt

- You ARE the salt of the earth
 - You are the flavor
 - You are the preserver
 - You are the Living Water retainer

- If you quit doing this you are worthless

Light

- You ARE light
- Light
 - allows others to see your good deeds
 - Allows other to recognize God in the world
- If you quit doing this, you are worthless

Epiphany

- The first thing God did was create light
- Where God started is where we should start
