

# Independent Thinking

Exodus 5:17-6:13

# Plan

- **God had a plan to free His people**
- **God knows the plan is not without setbacks**
- **God's plan requires our action on God's plan**
- **God has a plan for you**

# Price

- Freedom costs
- Our freedom is not free
- You can be free indeed, but the cost is sacrifice or redemption

# Plunder

- One of the richest nations in the world
- God didn't just send His people out of slavery, but into promise and abundance
- God provides abundantly for His people including you

# Think Independently

- **Plan to follow God's plan for you**
  - Not the plan of others for your life
- **Determine to let God pay the price for you**
  - He can afford it more than you can
- **Look for God's plunder in your life**
  - What lasts and matters for eternity?
