

Walking on Air

Ephesians 6:10-20

How to be strong in the Lord

A dramatic scene featuring a glowing, textured globe of the Earth in the center. The globe is illuminated with a bright yellow and orange light, and several bright, jagged lightning bolts strike across its surface. In the foreground, a pair of hands is shown in a prayerful gesture, with fingers spread and palms facing each other. The hands are also glowing with a bright yellow and orange light, suggesting a divine or supernatural presence. The background is dark, with some faint, glowing shapes that could be other people or objects, but they are out of focus.
